## Twilight run down the Great Ocean Road

Jump on board at the BP servo on Geelong road, Lara  
(Geelong-bound side) for the ride of your life!

Boarding commences 5.00pm ... it's wheels up at 5.30pm.

We then swoon down the open road to the  
Anglesea Visitors Information Centre (across the Anglesea  
River, then park on the left) to pick up those who  
hail from a little further and wider afar.

We aim to depart Anglesea at 6.30pm and head to our next  
stop – the Lorne Surf Life Savings Club for a short pit stop.

Then we disappear as one into the early evening stillness.

Supercharged by the fresh oxygen we  
*zoom-zoom* (radios off) our way to Apollo Bay.

Once we hit the Bay it's time to find a picnic table,  
break out those sandwiches or grab  
a pizza or fish'n'chips from the local.

After stretching the legs, taking in some sustenance  
and a bit of a chat, it's time to cruise home and hopefully  
enjoy a nice quiet GOR all the way back to the big smoke.

As we arrive home and take the keys out of the ignition ...  
we sigh – *ah, it's time to put our sensible hat back on!*

RSVP not required but I am happy to answer any questions:

Chris Biffin – 0401 34 47 97
